

Dear Kirk,

How are you? I hope you're well.

You may have seen that Kanye West was in Haiti a few days ago and visited a few locations with Haitian President Jovenel Moïse. One purpose of the visit was to raise awareness of the power crisis in Haiti, including on Ile de la Tortue, an island they visited.

President Moïse is available for interview to talk about the energy crisis and his plans to power up the country. Would you be interested? Do let me know.

Best
